This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the harmonised standard

EN 15088:2005

under system 2+ are applied and that

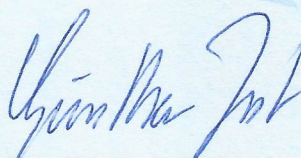

the factory production control (FPC) fulfils all the prescribed requirements.

This certificate replaces EC Certificate of FPC No. 0780-CPD-132078 first issued 2013-06-28. It will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction products, and the manufacturing conditions in the plant are not modified significantly, latest until 2020-11-12, unless suspended or withdrawn by the FPC certification body.
